

Tastefully Simple

Charitable Fundraiser

◆ Catalogues and a link to a personal, online book party will be provided for anyone from The REALTOR® Association of Pioneer Valley who wants to participate in the fundraiser.

◆ In addition to raising funds through the catalogue, participants can log in and enter the names and email addresses of family and friends who can then view Tastefully Simple's product line and independently place their order.

***All (online) orders are shipped directly to those who order. Therefore, there are no deliveries or money collection on your part unless people place orders through the catalogue.**

◆ 30% of purchases made will be given to The REALTOR® Association of Pioneer Valley's Charitable Fund. Therefore a \$50 order will generate \$15 for RAPV.
