Personal Statement (no more than 500 words)

After careful consideration and time off from association leadership as a result of a major life-change and move (marriage and state change), I would like to re-engage in association leadership. I have served locally, statewide and nationally. Having pioneering the local YPN for ECAR, I have moved up the ladder including local board president, NAR committee chair for Leading Edge Advisory Board and Medium Board Local Leadership Idea Exchange Council. I currently serve on the NAR Strategic Planning committee.
