**Massachusetts Real Estate Community Alliance (MRECA) is a nonpartisan, non-profit organization. Contributions fund research, education, and building a grassroots network of MA residents who support finding housing solutions. Contributions to the Massachusetts Real Estate Community Alliance (MRECA) are voluntary and are not tax-deductible. Contributions to MRECA are utilized to provide research, advocacy, and analysis on housing issues in Massachusetts and promote a greater understanding of how housing policies affect the state and economy.*
