

RPAC MAJOR INVESTOR EVENT

Since 1969, the REALTORS® Political Action Committee (RPAC) has promoted the election of pro-REALTOR® candidates across the country. MAR is doing the same at the state house in Boston, and RAPV is tracking local issues impacting our industry. The purpose of RPAC is clear: REALTORS® raise and spend money to elect candidates who understand and support REALTOR® interests. The money to accomplish this comes from voluntary contributions made by REALTORS®. RPAC doesn't buy votes. RPAC supports industry-minded candidates. These candidates support the issues that are important to your profession and livelihood.
